## LUIS GRANER AND HIS ART.

---

Luis Graner was born at Barcelona in 1860, and was graduated at the "Bellas Artes of Barcelona." He was awarded the First Prize by Queen Maria Christine for the best Spanish painting in the International Exhibition at Barcelona. The Spanish art critic, Senor Don Raymundo Casselas, places Graner as the most popular artist of Spain of this time and the idol of his native city, Barcelona.

Graner's works have been exhibited in Paris, London, Berlin and Brussels with great success, and they are to be found in many of the principal museums in Europe. The Emperor of Germany bought one of Graner's paintings.

In the last two years Luis Graner has had exhibitions in New York, during which many of his works were purchased by prominent art collectors. While there he painted many portraits of prominent members of the aristocracy of New York and Newport.

## AIME PERRET

Paris

Born at Lyon, in 1846

He began exhibiting in the Salon in 1872, and received his first medal in 1877, followed by others in 1888 and 1889. At the Columbian Exposition, Chicago, 1893, he was declared "hors concours," and in the same year he was appointed "Chevalier" of the Legion of Honor. His Salon picture of 1876 was purchased by Princess Mathilde, and the one of 1877, "A Christening en Bourgogne," by the City of Lyon. The French Government has bought a number of Perret's works, first in 1879, *Le "Saint Vatique"* for the Musee du Luxembourg, then his Salon picture of 1881 for the Musee de Carcassone; of 1885 for the Musee de Chalons-sur-Marne; of 1886 for the "Musee de Morlais," of 1897 for the Musee de Nantes, and the city of Paris acquired his painting, "*L'Aieule*." Besides Aime Perret is represented in many of the most prominent private collections in France and abroad. He is called the painter of the "happy peasants" in difference of Millet, who painted the "very poor peasants." History will place the name of Aime Perret in the same class with those of Millet, Rousseau, Jacque, and all those great artists who have shown us in their works the poetry of the field, its joys, its sorrows, and its eternal beauty.
